

Baking

2008 Spring MRI

Baking is an essential and fun activity
for *Fine Cooking* readers.

When it comes to baking, *Fine Cooking* readers outdistance all other magazine readerships. For them, baking is an essential activity and they take pride in making baked goods for gifts, parties, and family enjoyment.

Fine Cooking readers are leaders in both of the categories that best define baking enjoyment...Baking frequently AND Entertaining at Home frequently as well.
